Players will have the chance to jump into John Cena and CM Punk's furious rivalry spanning from 2011 to 2013 as well as Triple H and Shawn Michaels' bitter battle that raged from 2002 to 2004.

In each match that you compete in, you'll be tasked with completing a set of bonus, historical objectives that you can view at any time in the pause menu. As a reward for completing these bonus objectives you'll be able to unlock new Superstars, Managers and alternate attires that can be used in all of the other game modes, allowing you to stage dream match-ups between **WWE** Superstars of the past and present!

Challenge them in matches with branching storylines with the goal of attaining the **WWE** World Heavyweight Championship.

Begin your career by taking your Custom Superstar to the **WWE** Performance Center where Bill DeMott serves as your trainer. If you're up to the challenge and deemed worthy, you'll be offered a **WWE** contract and a spot on the NXT roster.

Matches and challenges continue at the NXT level, as well as the development of rivalries, social media interactions and your character's personality. The decisions you make in, and outside of the ring, will influence the path of your career. So choose wisely as you try to make your way to the main **WWE** roster!
